EXHIBIT B PRICING

CONTRACT NUMBER VA-150915-EIS

BETWEEN

VIRGINIA INFORMATION TECHNOLOGIES AGENCY

AND

EXECUTIVE INFORMATION SYSTEMS, LLC

Exhibit B is hereby incorporated into and made an integral part of Contract Number VA-150915-EIS ("Contract") between the Virginia Information Technologies Agency ("VITA" or "Commonwealth" or "State") and Executive Information Systems, LLC ("Supplier").

In the event of any discrepancy between this <u>Exhibit B</u> and the Contract, the provisions of the Contract shall control.

All software licensing options in this Exhibit B are for solutions hosted at the Authorized User's location.

Exhibit B

Executive Information Systems, LLC

ALL PRICING ASSUMES INSTALLATION ON A SERVER RUNNING A 64-BIT WINDOWS OR LINUX OPERATING SYSTEM. IN ADDITION, PRICING ASSUMES INSTALLATION ON A SINGLE SERVER TO BE USED BY A SINGLE AGENCY ONLY.

Category 1 - Business Intelligence/Descriptive Analysis

Minimum years of experience for performance of this service is 10 years. Minimum educational requirement is a bachelor's degree or directly related work experience and/or competencies may be considered in place of the above requirements.
Managing Consultant	$188.08	Provides project management and high level technical direction. Supports the definition and implementation of planning processes and systems at the enterprise or group level including both strategic and operational activities. Manages and coordinates project activities and serves as the technical lead and liaison for the client. Minimum years of experience for performance of this service is 8 years. Minimum educational requirement is a bachelor's degree or directly related work experience and/or competencies may be considered in place of the above requirements.
Senior Systems Consultant	$161.22	Provides direction, facilitation, planning analysis, performance measurement analysis, and technical analysis and design for executive information and decision support technologies in support of enterprise or group level planning. Serves as the technical and team lead for the project. Minimum years of experience for performance of this service is 4 years. Minimum educational requirement is a bachelor's degree or directly related work experience and/or competencies may be considered in place of the above requirements.

Training Pricing

SAS Training Points

SAS Training Points allow your organization to purchase training in bulk at a significant discount. The program works like a rewards program where the more you buy, the more points you receive to use on SAS training classes. If you have multiple SAS users who need training, investing in SAS Training Points will allow your training dollars to go

Point Range Purchased	Price per Point
